

Pisoheroes User Guide

Your Companion for Smart Student Finance

1. Introduction

Welcome to **Pisoheroes**! This application helps you track your daily allowance, manage expenses, set budget limits, and save for your future goals. Whether you are saving for a new gadget or just trying to make your allowance last the whole week, we are here to help.

2. Getting Started

Registration

1. Go to the **Register** page.
2. Enter a unique **Username** and your **Email Address**.
3. Create a strong password.
4. Click **Sign Up**. You can also use the "**Sign in with Google**" button for faster access.

Logging In

- Enter your registered email and password on the Login page.
 - If you forget your password, please contact the administrator (or use the reset link if available).
-

3. The Dashboard

Your **Dashboard** is your financial command center. Here is what you will see:

- **Current Balance:** The money you have available right now.
 - **Daily Allowance:** Your default daily spending limit (e.g., ₱500.00).
 - **Today's Spending:** How much you have spent so far today.
 - **Quick Actions:** Buttons to immediately add an Expense or a Savings Deposit.
-

4. Managing Your Money

Tracking Expenses

Every time you buy food, pay for transport, or buy school supplies, record it here so you know where your money goes.

1. Click "**Add Expense**" on the sidebar or dashboard.
2. Enter the **Amount** (e.g., 50.00).
3. Select a **Category** (Food, Transport, School, etc.).
4. Add a short **Note** (optional, e.g., "Lunch at canteen").
5. Click **Save**. Your balance will update automatically.

Daily Allowance & Income

- **Allowance:** Your account automatically credits your daily allowance each day.
- **Extra Income:** Did you receive extra cash or a gift? Go to the **Income** section to add it to your balance manually.

Budget Alerts

Don't run out of money before the day ends!

- We automatically track your spending against your daily limit.
 - **Alerts:** You will receive visual warnings on your dashboard when you hit **50%, 75%, 90%,** and **100%** of your budget.
 - **Custom Limits:** You can set specific spending limits for categories (e.g., "Max ₦100/day for Snacks") in the Budget settings.
-

5. Saving for the Future

Savings Goals

Want to buy something special? Create a Goal!

1. Go to the **Savings Goals** page.
2. Click "**Create New Goal**".
3. Name your goal (e.g., "New Shoes").
4. Set the **Target Amount** and **Target Date**.
5. The app will calculate how much you need to save daily/weekly to reach it on time.

Adding to Savings

- When you have extra cash, click "**Deposit**" on a specific goal.
 - This moves money from your *Wallet Balance* to your *Savings Balance*. You cannot spend this money unless you "Withdraw" it back to your wallet.
-

6. Tools & Features

Reminders

Never forget a deadline or a payment.

- Set reminders for things like "Pay Class Funds" or "Submit Project Fee".
- You can choose the date and time to be notified.

Analytics

See your financial habits clearly.

- View charts showing your spending breakdown (e.g., "You spent 60% on Food this month").
 - Use this to identify where you can save more money.
-

7. Profile & Settings

- **Dark Mode:** Switch between Light and Dark themes for comfortable viewing.
 - **Account:** Update your email or change your password.
 - **Logout:** Securely sign out of your account when using a shared computer.
-
